

Tornado Storage Solutions® participates in 2010 RILA Logistics Conference, Florida - US

Tornado Storage Solutions® will take part in the 2010 edition of RILA (Retail Industry Leaders Association's) Logistics Conference in Orlando, Florida, on Feb. 21-24.

Logistics Conference is the undisputed international leader for retail and consumer product executives in logistics distribution and supply chain management. The conference brings together representatives of all major retail segments, along with large solutions providers such as **Tornado Storage Solutions®**. Top supply chain executives and their teams from the largest, fastest growing and most innovative retailers attend RILA's Logistics Conference.

The 2010 programme is focused around retailers priorities today: "Increase productivity, streamline operations, maximize efficiency & lower costs".

The event will comprise of conference sessions held at the Gaylord Palms Resort & Convention Center, and an exhibition area where **Tornado Storage Solutions®** will present its solutions and services to leading international retailers.

Details on the event are available at www.rila.org

Join us at the 2010 edition of RILA Logistics Conference and visit **Tornado Storage Solutions®** on stand #625 to discover our logistical solutions dedicated to retailers.

About Tornado Storage Solutions®

Tornado Storage Solutions® is a supplier of automated storage solutions specialising in retail, which has grown significantly over the last 5 years, to become a leading provider of advanced storage solutions worldwide. Historically, automated storage retrieval machines had not been installed in the retail market until **Tornado Storage Solutions®** implemented a customized solution for one of the largest retailers in the world, specialised in affordable home furnishing.

Beyond the leading seller Tornado vertical Tower and H&V Carousels customised to retailers requirements, **Tornado Storage Solutions®** offers unparalleled support, and professional training on our solutions, including 24 hour back up in local languages worldwide. **Tornado Storage Solutions®** has its head offices in the UK and a multilingual workforce throughout Europe, extending now to the rest of the world.
